§11-102.

(a) If practicable, a victim or victim's representative who has filed a notification request form under § 11-104 of this subtitle has the right to attend any proceeding in which the right to appear has been granted to a defendant.

(b) As provided in § 9-205 of the Courts Article, a person may not be deprived of employment solely because of job time lost because the person attended a proceeding that the person has a right to attend under this section.
